Dietary Requirements

We take care to provide appropriate meals for your guests with special dietary requirements.

These requirements could be anything from a food intolerance or allergy such as gluten free, or a preference such a vegan or vegetarian.

Many of our standard menus offer something suitable options for your guests with dietary requirements and some dishes can be altered to accommodate guests with specific dietary needs.

On making final preparations for your day, we will confirm this prior to your wedding. Once advised, our chefs will prepare an appropriate meal for your guests with these individual requirements.

PLEASE NOTE: In the instance that your guests with advised dietary requirements change their mind on the day, we are then unable to provide an alternative meal as our chefs will cater specifically as requested.

2018 Package Pricing

The 2018 pricing shown here is for weddings that are to be held in 2018. If you're planning your wedding for 2019 or beyond, then you will need to factor a price increase of between 5–10% for catering costs. Any pricing changes for 2019, will be confirmed in mid 2018.

PLEASE NOTE: that these package menus are also subject to seasonal changes and availability and incremental price With the copy that is there.

2018 Beverage Packages

With regards to our liquor licence, all beverages will be waiter- served to your guests.

Please note that liquor licencing laws do not permit you to bring your own drinks onto the premises.

The Venue is obliged to abide by our licence permit laws and have nominated a venue closing time of 10.30pm.

Nominated brands are subject to availability at the time of your event. If a wine is not available at the time, we will endeavour to find a suitable replacement.

While most of our catering packages are inclusive of beverages, with the option to upgrade or extend, it is important to know that we can be flexible.
